

Stratton Safety

Your work health and safety partner

WHS ADELAIDE - QUARTERLY UPDATE

Stratton Safety – Level 3, 97 Pirie Street, Adelaide, SA

December“ish” News

This “slower than usual” newsletter has a bit of January news in it too! That’s OK, because it’s all good news!

Free Workplace Inspections

- Do you have unidentified health and safety risks?
- How would you know?

For a limited time, Stratton Safety will conduct free workplace inspections for any business or enterprise in the greater metropolitan area (SA).

Our Consultant will spend a maximum of 2 hours on your site and provide a written summary of findings within a week of conducting the inspection.

International Convention Centre, Sydney

22 -23 May 2019

Safety Institute of Australia Conference 2019

From Lewis Stratton, Director Stratton Safety

I had the privilege of attending the SIA 2018 Conference in Melbourne. The quality of key note speakers and workshop facilitators was absolutely fantastic! What I found especially beneficial was the inputs in relation to psychological well-being and a renewed appreciation of rigorous risk assessments and hazard management strategies. The 2018 conference was also great in terms of social and professional interaction.

The 2019 Conference program will explore themes on;

- Health & Wellbeing
- The Profession
- Future Workplaces
- Governance
- Human Factors

COST: You still have time to get the "Early Bird" rates! Do it! 😊 [Read more...](#)
